Minutes of the Online Meeting of the IQAC held on 22/06/2020

A virtual meeting of the Internal Quality Assurance Cell (IQAC) took place on June 22, 2020 (Monday). The meeting was conducted under the esteemed chairmanship of Dr. Paramartha Ghosh, Principal of the college. The virtual platform facilitated active participation and meaningful contributions from all members of the IQAC. Dr. Paramartha Ghosh, as the chairperson, provided valuable insights and guidance, steering the discussion towards effective strategies for maintaining and enhancing the quality of education offered by our institution, despite the challenges posed by the current circumstances.

Following members were present at the online meeting.

1. Dr. Paramartha Ghosh
2. Dr. Ashish Kar
3. Dr. Samir Nandy
4. Prof. Biswanath Kundu
5. Dr. Ashoke Hazra
6. Prof. Muktiprakash Ray
7. Sri Chandan Mukherjee

Resolution 1: The resolutions from the previous meeting of the Internal Quality Assurance Cell (IQAC), held on February 25, 2020, were duly reviewed and confirmed after discussion.

Resolution 2: In light of the ongoing global COVID-19 pandemic, our institution recognizes the challenges posed by the normal disruption of classroom teaching. The health and safety of our students, faculty, and staff remain our top priority. As we navigate these unprecedented times, we understand the necessity of adapting to new circumstances and ensuring the continuity of education.

Principal, Dr. Paramartha Ghosh pointed out that the traditional classroom teaching environment has been impacted by the pandemic, prompting us to explore alternative methods of instruction. In response to these challenges, we are embracing online teaching as a means to continue delivering quality education while prioritizing the well-being of our academic community.

As we adapt to the challenges posed by the current circumstances, it is imperative that we enhance our communication strategies to facilitate effective online teaching. To streamline our efforts and foster a cohesive online learning environment, the following initiatives are being implemented:

1. E-Communication Channels

2. WhatsApp Group Formation

These initiatives aim to create a supportive and connected online teaching community.

Resolution 3: In response to the ongoing challenges posed by the COVID-19 situation and the transition to online learning, we recognize the need to address and refine our Continuous Internal Evaluation (CIE) processes for our students. Following careful consideration of the prevailing circumstances, it has been resolved that internal evaluations will be conducted online, given the unfeasibility of offline classes.

The decision is in response to the challenges posed by the ongoing situation, where traditional classroom settings are not currently viable. To ensure the continuity of academic assessments and the timely evaluation of student progress, we have decided to shift to an online mode for internal evaluations.

Since no agenda came up for discussion under Miscellaneous, the meeting ended with vote of thanks to the Chairperson and President of the meeting.
